Sir:

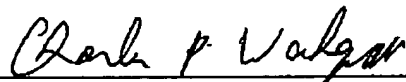

Response to Restriction Requirement

The following is in response to the Office Action mailed September 26, 2003, wherein the USPTO subjected the above-referenced patent application to a restriction requirement.

Traversal of Restriction Requirement

The Applicants hereby elect to prosecute the claims of Group II with traverse, i.e., claims 18-39, drawn to methods, classified in class 526, subclasses 67+.

Respectfully submitted,

Charles P. Wakefield
